

WALK/NG School Bus SAFETY

WALKING SCHOOL BUS PARENTS:

1. Please read the rules below with your child and ensure that he or she understands the risks if they are not followed.
2. Tell your child that he/she must follow instructions given by the WSB leader and could be removed from the WSB for persistent dangerous behavior.

WALKING SCHOOL BUS LEADERS:

1. Be visible by wearing your yellow reflective vest every day.
2. At the start of each walk to school, remind the children of the Three Safety Rules:
 - Walk (Don't Run)
 - Stay on the Sidewalk
 - Walk Sensibly (No Horsing Around)
3. Walk together as a group. If necessary, put a parent or an older child at the front with instructions to slow everyone down so the last person is not too far behind.
4. Cross side streets as a group, by allowing slower walkers to catch up before crossing. Make eye contact with stopped drivers and be sure they are letting you cross before entering the road.
5. Cross main streets at a crosswalk or intersection.
